Summer's Symphony

"Listen to nature—to the music of the rustling leaves, the chirping birds, the humming, droning insects. Let them play for you their summer-long symphony of peace and strength and hope." —H. Addington Bruce

June 2025

A Day for Dads

Father's Day is celebrated on the third Sunday in June. It is a time to honor fathers, celebrate fatherhood and appreciate the influence of fathers in society. Let all the fathers in your life know how special they are on this day just for them.

It's Strawberry Season

The first fruit to ripen in spring, fresh strawberries are a sweet favorite. The average person in America eats more than 3 pounds of them each year. But it only takes a few to get a taste of their benefits. One serving, about eight strawberries, packs more vitamin C than an orange.

Beach Ball Blitz

Now an iconic symbol of summer, beach balls were invented in the late 1930s and were only about the size of a person's hand. The inflatable plastic toys, usually featuring a pattern of brightly colored stripes, floated to fame during the "beach party" film craze of the '60s. Now, beach balls come in all kinds of designs and sizes, with extra-large versions a popular sight at special events and photo shoots.

Popular Toys

School's still out for summer, but you don't have to be a kid to enjoy these entertaining toys. Check out when these classics first hit the market and the toy box.
